**a heads together production**

**Two Valleys Radio** is an internet-based community radio station for the Holme and Colne valleys. With over 12,000 listeners in 2011, we'd love you to tune in to some of our programmes. There's something for everyone!

**Monday Night Clinic** is our regular broadcast, going live every Monday evening, with programmes including Two Valleys: Many Views: the audio newspaper for Holme and Colne.

**Institute of Ideas** is our monthly volunteer-led broadcast. For a more in-depth look at our communities, including local history, village spotlight and themed discussion, listen in on the last Sunday of the month.

**Education Express** is our education-based broadcast, when we invite schools and colleges to take over the studio! Listen in if you want to know what really goes on behind the school gates.

**Check the website for latest details on content, dates and times**

In the **Caravan of Love**, we bring you community shows on the road. We travel the valleys, broadcasting directly from galas, festivals and special events.

Of course, if you miss any of our live programmes, you can always 'listen again' on the website.

## GET INVOLVED!

Our broadcasts are run by a dedicated team of local volunteers. If you'd like to get involved, you can start by coming along to one of our volunteers meetings, all ages and experience welcome. We meet at our studio in the Carlile Institute, Meltham – check the website for dates and directions.

If you have any questions, or just want to find out more, send an e-mail to **info@twovalleysradio.co.uk** and we'll be in touch.
